If you have been very ill, and are not recovering as fast as you expected, Ayer's Sarsaparilla will make your blood pure and will give you strength and energy.

Mrs. M. McShane, Hobart, sends this letter, with her photograph:
"After recovering from a long attack of typhoid fever I suffered from a poor appetite and great depression, and was so weak I could hardly walk. Having seen

Ayer's Sarsaparilla

advertised as such a good blood purifier and general tonic, I thought I would try it. I did so, and soon my old strength came back, my appetite returned, and before I had finished the second bottle I could do all my work just as well as before."

There are many imitations
Sarsaparillas.

Be sure you get "AYER'S."

SPORTS

1906 NOT AS GOOD AS THAT OF 1900

COMPARISON OF THE RECORDS OF THE MEN AT THE OLYMPIAN GAMES IN 1906 AND 1900.

The American team which is to contest in the Olympic games at Athens from April 22 to May 2 will not be the equal of the one which went to Paris in 1900. This is not because athletics are at a low ebb in this country now, but because of the length of time which the trip will involve few college men will be allowed to go, and the team will not anywhere near represent the athletic strength of the country.

To one who is familiar with the records of the athletes who made up the 1900 team, composed almost entirely of college undergraduates, it will be seen at once that the members of the present team are weaker in nearly every event than the 1900 team. There is but a single event in which the 1906 team is better than the 1900 team, and in only a few are the records equal. In all of the others the 1900 athletes were far superior to the members of the 1906 team.

The team which went to Paris consisted of such sprinters as Duffey, of Georgetown; Jarvis, of Princeton, and Tewksbury, of Pennsylvania; hurdlers like Kraenzlein, Pennsylvania's world's champion, and McLean, the Michigan flyer; an invincible high jumper in Baxter, of Pennsylvania; a quartet of distance runners in Orton and Grant, of Pennsylvania, and Cragan, of Princeton, and Bray, of Williams, all of whom could more than hold their own with Sullivan and Lightbody of the present team. Then in the pole vault there was Dvorak, of Michigan, with a record of twelve feet, and Bascen Johnson, of Yale. The quarter-mile contained Maxey Long, of Columbia, the present world's champion, and Maloney, of Chicago, the Western champion. Just to show how the records of the best men composing the 1900 team compared with the best of the present team, the table below is given. The records given of the 1900 men are those which existed at that time, not those which were made by them later:

1900 Olympic Team.	
Evening—Athlete—Organization.	Record.
100 yds.—Duffey—Georgetown	16 4-5
100 yds.—Jarvis—Princeton	16
100 yds.—Tewksbury—Pennsylv.	16
440 yds.—Long—Columbia	1:23-5
440 yds.—Maloney—Chicago	1:24-5
440 yds.—Holland—Georgetown	1:24-5
880 yds.—Cragan—Princeton	1:57
880 yds.—Bray—Williams	1:56 4-5
1 mile—Orton—Pennsylvania	4:20
1 mile—Grant—Pennsylvania	4:21
1 mile—Cragan—Princeton	4:23 3-5
Hurdles—Kraenzlein—Penn.	1:51-5
Hurdles—McLean—Michigan	1:53-5
Broad jump—Kraenzlein—Penn.	24-0 4-5
High jump—Baxter—Penn.	6-0 2-5
Shotput—Sheldon—Yale	46-06
Pole vault—Dvorak—Michigan	12-00

1906 OLYMPIC TEAM.	
100 yds.—Schlek—Harvard	16 4-5
100 yds.—Hahn—Michigan	16 4-5
440 yds.—Hillman—N. Y. A. C.	1:24-5
440 yds.—Schlek—Harvard	1:50
880 yds.—Lightbody—Chicago	1:57
880 yds.—Valentine—N. Y. A. C.	1:57 2-5
1 mile—Lightbody—Chicago	4:25
1 mile—Sullivan—Irish A. C.	4:22 4-5
Hurdles—Leavitt—Williams	1:54-5
Hurdles—Friend—Chicago	1:56
Broad jump—Prinstein—Syrac.	24-0 7-5
High jump—Kerrigan—Portland	6-0 1-5
Shotput—Sheldon—N. Y. A. C.	46-06
Pole vault—Glover—Chicago	11-07 5-5

Ex-President Jimenez Of Santo Domingo

From the above it will be seen that in only a single event is the 1906 team superior to that of 1900. This is the broad jump where Prinstein is credited with better figures than Kraenzlein. But no sane person would ever pick Prinstein to beat Kraenzlein. Prinstein's record was not accepted for more than a year and, there are many persons who still think it should not be allowed. There was a high wind blowing when it was made, and the take-off was springy. Furthermore Prinstein has not been able to jump within a foot of that mark since.

In the 100 yards, the quarter mile and the shot put the records are equal. But in two of these events the 1900 athletes have since made records which the 1906 men could not approach. Duffey with his subsequent record of 9:2-5 for the 100 yards and Long with his work mark of 47 seconds flat for the quarter mile are both superior to Schlek or Hahn in the 100 yards or Hillman in the quarter mile. In the hurdles Leavitt and Friend, of the present team, would be mere novices if pitted against Kraenzlein. The same is true in the high jump, where Baxter was far superior to Kerrigan. In the half and mile runs the superiority of the 1900 men was almost as decisive.

FIVE KOREANS MUST ALL HANG

ACTING GOVERNOR DECLINES TO INTERFERE AND A DEATH WARRANTS ARE SIGNED.

Acting Governor Atkinson yesterday signed the death warrants for the five Korean murderers from Hawaii, directing the High Sheriff to have them executed on May 2. They are all now in Oahu jail, under a death watch. The death warrants were delivered last night to High Sheriff Henry.

The murderers in question are those in whose behalf the Rev. J. W. Wadman interceded. Six were concerned in the crime, which was that of torturing a fellow countryman to death. One was convicted of murder in the second degree and got a life sentence. The men were defended by Carl Smith, and when appealed to for an opinion as to what should be done, he expressed the view that the sentences were just and ought to stand.

The five men who will suffer the extreme penalty of the law are Shim Myung Ok, Bang Yong Bok, Kim Yong Yee, Chang Chit Yuel and Woo Myung Sook.

CHINAMAN CAUGHT STEALING.

A Chinaman was caught stealing in an untenanted house yesterday at Union street and Adams Lane. A woman saw the man climbing over a fence and notified R. H. Trent, who dispatched Joe Leal to the scene. The Chinaman had left, leaving his push cart in front of the place. Leal sat down to wait the arrival of the Chinaman. In due time he returned for the cart and Leal gave chase and put the man under arrest after a chase of some blocks. The man gave his name at the police station as Ah Sam.

Drink It But Don't Water the Garden With It

PRIMO BEER is made with the purest of water obtained from the Brewery's own well, near 900 feet deep. This water percolated through black sand, nature's infallible filter. This is worth knowing in view of the present alarm about drought. Of course you are not expected to wash with PRIMO or water the flowers with it but as a pure beverage it is certainly to be desired to impure water.
